Dear Mr Hunt,

RE: ADVANCED STANDING ARRANGEMENT

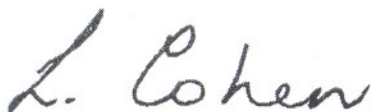

As per your request, please find enclosed details of an articulation agreement for students who have completed Advanced Diploma of Occupational Health and Safety and wish to pursue undergraduate studies with Edith Cowan University at the Faculty of Computing, Health and Science.

Students who successfully completed the following award, Advanced Diploma of Occupational Health and Safety from Sustainability Pty Ltd will be granted **180 credit points** into the following ECU undergraduate course; **Bachelor of Health Science (OSH major)**. The 180 credit points will consist of the following:

- Two (2) core units – **Fundamental Principles of OH&S and OH&S Legislation and Mining Safety Legislation** (30 credit points).
- Six (6) unspecified minor units (90 credit points)
- Four (4) unspecified elective units (60 credit points)

Should you have any further queries, please contact Michelle Hignett on +618 6304 3435. We look forward to a continued and positive relationship between Edith Cowan University and Sustainability Pty Ltd.

With regards,

Associate Professor Lynne Cohen
Associate Dean, Learning and Teaching
Faculty of Computing, Health and Science
